Wool Moths

Kit Includes:

- wool fabric piece (front and back of wings)
- Complimenting colour of wool fabric for body
- Stabiliser
- Copper wire or embroidery cotton for antennae
- Shawl / kilt pin
- Small amount of stuffing

(Pattern and instructions will also be provided in this kit)

What you need to bring:

- Sewing machine
- Free motion foot
- Sewing equipment and tools- Needles/ scissors etc
- Cotton/threads
- Optional- Fancy fabrics they may want to include for embellishments (satins, silk, lace, velvet, embroidered piece patterned cotton) I will also bring a variety of pieces for people to go through / use if they need.

The wings are created on machine- using free motion embroidery, thread sketching, appliqué.

The moth is then assembled by hand.

- the wool fabric I use is Sue Spargo style wool fabric (not necessarily branded to Sue Spargo)
